

ENJOY ♥

[www.bearly-creative.de](http://www.bearly-creative.de)

I love creating  
mini zines but rarely  
have good concepts  
or the discipline  
to plan such a thing.  
So now I create a  
mini zine without  
any concept in mind.

Have fun ♥

Just like the seed everything  
wants to live
